I'd like to offer my deepest condolences to Janice, Ah Boo, Ah Bey and family. I have many great memories of my cousin Nick and me being babysat by your mom, Mama Pang as we called her and playing with all of you at one time or another during the years we were being cared for at your home. For some reason I remember Joyce and/or Janice listening to the radio and me "fake" crying as "This Diamond Ring" was playing. Embarrassing to say the least but to this day, whenever I hear that song (and I do have it on CD!) I remember the fake silver Christmas tree in your living room, the green army tent and swing set in your yard, all the toys Nick and I played with and most importantly, I remember all of you. With great sadness, Jon Liu
