Dana was my friend from elementary school, Liliuokalani, and Kalani High. I was shocked to find this obit this evening; didn't know she had passed away. She was a true friend, a bright spirit and I have nothing but good memories of her. I was hoping to reconnect with her; I can't remember a friend I knew longer though we had not connected in decades. So sorry to hear of your loss. Much aloha,

I am Dana's first cousin (one of Uncle Bill's daughters). I was trying to reconnect with Dana when this appeared. So sorry to hear of her passing. I adored her dad, Uncle Danny (Babe). I have notified my siblings and 1st cousin Jimmy of her passing.

My friend Jessica posted this to my Facebook messaging and I ask her permission to re-post it to mom tribute wall for all to see. Here it is...Michelle, I just saw your moms obituary. I am so so sorry for your loss. Your mom was so good to always have me over to your house. Whenever I tell the story of my childhood I always say I really only have one friend. That is you and that is because your mom was always willing to have me over and let me part of your family. I still remember your pet rocks that you kept in your car port. It makes me smile when I think back to those days. Your home was a happy place for me when my home was not!Thank you.... Praying peace for you all!

The Fuddy family will always be in our hearts....Lewis for being that fun-loving coach to my boys Jason and Adam for many years and more importantly, for saving Jason's life, and Dana for also being a fun-loving supporter to all the students/athletes in his life. Dana had the most wonderful laugh and smile and was a very loving and generous soul. Dana was always there for the kids, selling hot dogs at the car wash fundraisers and joking around. I'll always remember her laughter as she told the story of how, when she watched my young daughter Elizabeth while I went to the mainland with Lewis and the runners, that when she was folding some laundry (underwear), Elizabeth pointed and asked, "Is that a pillow case?" (I won't mention whose underwear!) Dana had a wonderful sense of humor and I loved visiting with her. Lewis and family: The whole Peters' family is so sorry for your loss but we will always hold Dana's memory close to our hearts. With much love, Renie Peters and family (Gary, Jason, Adam, & Elizabeth)

Lewis and family, I was so sorry to read about the loss of Dana. Growing up on Lilinoe Place together I have so many memories of great times. She was my best friend then and we had so much fun on our street and Maunalani Playground. It was the good old days when kids could go out and play after school till dinner time. I remember her house having a red front door which was not common in those days and I was so jealous. I saw her again a few years ago at her physical therapist's office and we played remember when for quite some time. Her memory was a lot better than mine and we had lots of laughs reliving "the good old days". The people in the waiting room must have thought we were crazy because all we did was laugh! She has been in my thoughts these last few days and I've been remembering my wonderful friend. I'm so proud that she was such a big part of my youth. She will be missed and forever loved! With deepest sympathy, Karen (Costa) Carl and the rest of the Costa family
