Dear lme and family, A parent's death is something we all know will happen but nevertheless, dread. When it happens, it puts our own mortality in the realm of the possible, as our own mortal destiny is affirmed. We can only hope to have lived as long, as happy, as accomplished, and as blessed. May the fond memories of life with Mamang sustain you til that day when we all meet again, in God's time. Fond aloha, Debs Robillard
