Glenn, I am so sorry to have found out today at special Olympics from your wife Alicia that you passed away. I am very saddened to hear of your sudden passing, special Olympics just won't be the same without you. You were the glue for the parents group. Your smile and infectious attitude were dearly missed today.

Rest in peace, my nephew. Your life on this earth was much too short but he has plans for you. Your brief stay on this earth touched many who will remember you.

"I am so sadden to hear the lost of a truly wonderful and loving father and husband. His son Isaac was in my preschool class this past year at Kamehameha. Glenn brought humor and smiles each time he walked into our classroom. The children loved when he played with them along with his son Isaac. He always was there by his son's side doing each parent activity. His memory of his positive and uplifting energy will always be remembered. My apologies to the family as I am not able to attend due to a competition but I want to send my condolences, thoughts and prayers upon his beautiful family. He will always be remembered in my heart and classroom. God Bless the Yamada family."
