Uncle Cavaco was truly a warm wonderful man. He was an awesome man that taught me so many lessons in life. He was always there for my sister and I. He was there from the beginning through good and bad times. I could always go to uncles house when I needed advice he truly was a go to man. Many of us could always count on his good advice and wisdom. He was there every step of the way for me, all through my 59 years of life. I was very happy to have him by my side, when he walked me down the aisle with his shades on, tears streaming down his strong face. I loved going to uncles and listening to his stories of past, his days playin music, the navy, fire dept.,and the best memory cooking and making 102 meatballs for one of many parties at "CAVACOS" house. Beer in one hand and spoon in other cooking up a storm. Thanks for all the great memories I will never thank you enough for all you have done for me love you and will miss you deeply....but I will treasure all the memories I have of you UNCLE CAVACO in my heart I lost my father. Love you always....Darlene
