Our warmest thoughts and sympathy go out to your family at this time of loss . We remember being with Bob and Jocelyn during the opera previews held at the Academy. Bob's kind and gentle ways made him a joy to be around whenever we were with him. With great aloha, Mary and Kathie Andre

I want to salute Mr. Wong who was the architect on the 920 Ward Avenue Condo Project (Royal Court). I had the honor of working with this exceptional designer and person in my capacity as a young timekeeper/field assistant for Pacific Construction Co. Today I'm in project management/real estate development and have worked with many designers, I have not forgotten the Aloha Spirit and legacy of this architect and his contribution to the Islands.
