Larry Patrick Reece

OCT 14, 1947 - AUG 28, 2013

Larry “Pat”rick “Tigger” Reece was born October 14, 1947 in Fort Worth, Texas to Roy and Mozelle Reece. His parents moved to California in the 50’s. He went to Victor Valley High School where he met and married his high school Sweetheart, Kathleen for 46 years.

Pat served his country during the Vietnam War. They then lived in Huntington Beach for ten years where they had two sons, Jason and Cole. In 1980, they moved to the Big Island of Hawaii where he had a church and did what he loved most, which was serve his Lord and Savior Jesus Christ. Eight years later the family moved and settled on the windward side of Oahu where Pat worked in ministry for a short time before starting his own masonry company, First Choice Masonry.

He never tired of giving his time and energy for others. Over the years he served on several Boards and worked to help the ministry Del Corazon in the Dominican Republic. He loved to perform weddings and babies first birthdays. Any time he could give his time to others he was always willing.

“He was an amazing husband, loving Dad, always leading by example to his sons, and fun loving “Papa” to his grandsons.”

To his many friends and co-workers he was more than just a friend. He became a father figure to many of the young men in our lives. Pat was just Pat..... Words cannot express the impact he made on others the time he was here with us. In a lot of ways the work that he did will forever be set in stone in more ways than one. I think that is the way he would have liked it. We never know the impact we make on a person, and Pat made a lifetime of impact in all of our lives.

His work will forever be set in stone.

Sincere condolences for your loss. We can find refuge and comfort by turning to Jehovah in prayer and supplication, and the Father of tender mercies and God of all comfort will comfort us in all our tribulation (2 Corinthians 1:3,4). Revelation 21:3,4 assures us that soon death, mourning, outcry and pain will be no more, and John 5:28,29 holds out the hope of the resurrection of those who have fallen asleep in death. May this bring you a measure of comfort.
