My deepest sympathy to her family. Sherry without you and your sisters in high school I never would have survived. We had the best times together and I cherish the many memories we shared. The birth of your daughters and the love of your life Lance are forever in my mind. We were quite a group back then weren't we? Your a beautiful soul and I wish you eternal peace. I will miss you so. Watch over your children who love you most dearly, so they may smile knowing you are watching over them always. May your wings of an angel embrace Lance, n your sisters, so they know they are loved by you as you watch over them, too... Love to you always, Aloha O'e...Susan (Piper) Nevin

Sherry, we were best friends long ago – thank you for the wonderful childhood memories. Your smile hasn't changed. You are a warm, loving person welcoming from the moment we met in your carport the 1st day you moved into the Waipio house. We sang, skated, swam, played street ball, hiked, Farrell's ...and the list goes on! I will cherish each and every moment! You will never be forgotten. May you rest in peace in the Heavens my friend!
