Homer K Perez , i miss you so much , not a day goes by that i don't go thinking of you . I know you are up there watching down on me . You also see me cry to sleep because of how much stress I am in because i miss you . You don't know how much I miss you a lot . I wake up in the morning and your not by my side :(but realizing that you up by Gods side , which is way more safer . I just wanna thank you for supporting me when nobody could , I may be a spoiled brat but I love you . Im literally sorry everything that Ive done so far in the life . Sometimes I wonder , why did he take your life so fast from me ? All I wanted to do was support you the way you supported me . I wanted you to see me grow up , but I guess I was growing way to fast for you , ugh . Saddest day of my life , September 24, 2012 . Ugh , you don't even know how much I need you by my side when Im struggling . I struggle so much , the people you left me with don't even realize it , but you . So I pray in the Name of Jesus , for God to help me struggle while you're up there resting . Seeking God
