Mom, I love and miss you so much. I can't wait being with you and dad again. I've always felt both of your presence near me. Knowing that, and regardless of either whether where I've been, or where I'm going, life here has been good; however, I really look forward to celebrating what we shared. I've never lived a day without thinking of you and dad. Now you're in a place where you finally know that. God bless you both. A Hui Hou.
