Ken and I went to high school together in Newport Beach and he was my first "crush"....such a fine young man. Everyone loved his gentle nature, kind words and caring personality. I am not surprised to learn that he became a care provider for other people's lives. Little did I know we eventually lived on the same island of Oahu! Betty Saunders.

Deeply sadden to hear the passing of my White Crane brother. Have many great memories of Ken especially the time we rolled thru Hong Kong & Taiwan with Sifu. We partied & lived like rock stars on that trip. Always will remember his charging attitude "Come on, Come on let's go!!!". Prayers & much Aloha to Johnette and the kids.
