I don't know what to do Mom I never thought I'd loose you Where I'll go from here I still haven't got a clue. I hope you'll watch over me Be my guiding light Giving me the strength I need To win this endless fight. You're my guardian angel Mom Sitting on my shoulder Whispering your words of wisdom To use as I get older. I don't want to say goodbye But we'll meet again someday We'll pick up where we left off Before you went away.
