Rose Monzon Roque is my Dad's sister and also my godmother. She was a generous, thoughtful,lovable & sweet lady. She was like a mother to me. When I faced a very difficult situation in the past, she was there to support me all the way.....never criticized me but rather embraced me wholly.....showered me with her unconditional love and gave me courage to move on. I never recieved such care from any other aunts but her. Ninang, I love you much and will surely miss you!
