Dear Agnes and Jason, WE are so saddened to read of Dad's passing and send you and your family our deepest sympathy. We have many happy memories of Dad from our time together with the Kahala Patriots. He wasn't a talkative man, yet one who you respected and enjoyed being around. He and Mom worked so hard to give you, their children education and the things that they didn't have and lots of love. We admired them for that. I would describe him as a big bear of a man who had a kind, loving heart. Even after 30 years, we have many great memories of our times together and that shows the extent of his personality. Please remember all the things he and Mom taught you as you experience life. We live in Washington state now, so have to keep in contact with Hawaii's news through the online newspaper. You can always contact us at: [williamgeenty@comcast.net](mailto:williamgeenty@comcast.net). If you are ever in Seattle, call us (253) 840-4386. Shan is living in San Francisco and Terence lives north of Chicago. Take care. Our aloha to rest of the family. Love, Bill and Norma Geenty
