I love you Papa. Even though I haven't seen you for 10 years, I wish I could have gotten to know you a lot more so that we can be more close. I miss you and Tutu very much. Now you don't have to be in anymore pain, you can finally rest and fly with angels. You are a very strong man. I will see you one day on the other side when god calls me back home. Aloha, Brandi, Peyton, Moses, and Kolea.

My dearest sympathies to my cousins. I'm sorry I can't be with you and the rest of the family today...Utah is so far away. But know that I am thinking of you, I have you in my heart and I'm drawing on the precious memories I have of your dad, my Uncle HoneyBoy. One day we will gather and "talk story" about the good times I had with him, not only me, but Guy and U'i and Erilyn and Dudley and Donald, too,...ohhh, fond memories. I will miss him but find comfort in knowing he is with your mom and the rest of the ohana that have passed on. I love you all. Charmaine Bishaw Fitisemanu

My deepest condolence to the Kaiena Family, Death of a loved one can be one of the hardest things we can go thru in life, and our heavenly Father Jehovah understands better than anyone. That is why he has promised in his word to get rid of all pain, sickness, suffering and death forever. But also of a resurrection of all of our loved ones. I hope this bible based promise brings you much comfort during this difficult time. (Rev 21:3,4 Acts 24:15).

All my love to my cousins. I will miss Uncle's humorous laughter, his strictness (yes i got scoldings a few times from him) and his giant hugs. Wish we could be there with all of you, just know that you have our love.
