So much to say about my father. He was such a loving and caring man. He has taught me so much about life and has taught me to be the woman that I am today. Words can't express how heartbroken I am that he's gone, but knowing he's at peace and in heaven makes me more at ease. It's not easy to lose a loved one, especially a father. I think of you everyday, and forever will. I love you daddy. I'll always be daddy's little girl. RIP my angel.

I never had so much laughs with anyone else in my life. When he was in a good mood he could be the funnest person to be around. I miss him and he has left behind a beautiful family. Nobody is perfect and now is the time to remember the good things about someone, and there are a lot of good things about Paul. Miss you. Im sure you are in a better place now and in peace which you deserve. See you later..
