Dear Family of Kenneth Francis Wilson, I am a neighbor of Kenneth's son, Kenny and never had the privilege of meeting the senior Kenneth Wilson. If Kenny reflects anything of his father, which I'm sure he does, Kenneth must have been a good man. His son Kenny is a bright light in our Kailua neighborhood; friendly, kind, enjoyable, funny and helpful to so many of us. Thank you Kenneth Francis Wilson for your part in making a great man, your son Kenny. Genell Mikkalson

This is quite a tribute Genell, to my father and brother. Thank you so very much for your kind sentiment. You are correct - the apple does not fall far from the tree. Love, Donna

Dear Dad: I miss you everyday. This time last year is when I found out you were in the hospital. I flew to Hawaii the day after Thanksgiving and spent every single day with you until you were called home on December 8th. I cannot believe that you have been gone for nearly a year. I think of you all the time and wish I could pick up the phone and talk to you. I love you so much daddy! I know you are in a better place, it's just not the same without you here. Love You & Miss You so very much. XOXOXOXOXOXOXO
