I remember aunty Laura stepping up and becoming my legal guardian for a brief time, though she never had any children of her own she stepped up and did the best that she could with what she knew. We bumped heads as we all fight demons at one time or another, but the unconditional love was there. I made my peace with aunty asking for forgiveness for being a rebel child who had a rough childhood, and also giving forgiveness before she left us so my heart was clear and there was no regrets of I wished I had fixed it while she was here. I am comforted by knowing that aunty Laura is no longer suffering, and she is enjoying her perfect body, mind, soul and spirit in Heaven with my grandma, grandpa, uncles and all those who have passed on. Rest in Peace and Love aunty Laura "Me ke aloha pumehana" Til we meet again. Honis to you and tell my tutu that I love and miss her tremendously, give her hugs and kisses as well.
