George, Michelle, Keala', Mahea, Keanu, you are in my thoughts and prayers. I know how much you loved your Mom ~ Grandma. How much you kids loved spending summers in Hawaii with her, George loved going home to visit, and Michelle how you took great pride in loving and caring for your mother-in-law as if she was your own mom. My heart aches for you knowing how much you will miss her. Norma, though I never got to meet you personally I feel like I know you. One thing I know for certain is that you had to be amazing. Because you are very loved by your sweet family. I know how much they admired you how much they will miss you. Now they have another angel to look down on them. May you rest in peace. God Bless you Puha's!! Love, Susann Fiske

Norma was such a dear person and she will be missed. I knew Norma when she was a patient at the dental office. She and George were such a cute couple together. May she rest in peace.

Dear grandma, the last conversation we had was on New Years eve 2014.. I had asked you to promise me not to give up, and of course you promised me.. Now looking back I realized I was asking too much of you. You always said when it was your time to go you were ready, you had done everything and seen everything you wanted in your life. I'm thankful that you were here long enough to see my son, your great grandchild Kaden Kai'noa. The only way I find comfort in your passing is knowing that you're with Grandpa.. And he's been waiting a few years for you up there in heaven. We will all miss you so much here.. I'll personally miss our long conversations about life and growing up. You taught me so much about becoming a young lady and knowing right from wrong. I will forever treasure all the times we had with you. Kaden sends his big kisses and hugs your way. We will always be thinking of you. I will see you soon grandma, you and grandpa both. Until the day I see you again in heaven, rest in peace and know I love you so much. See you soon grandma. Love always & forever, Your troublemaker granddaughter Keala'maile, son-in law Derrek and great grandchild (sly mongoose) Kaden Kai'noa
