Linda Rodriguez lit a candle in honor of Karlton.

Karlton was a very good friend of our family and our church family at CCI, he became a good friend especially when it came time for Christmas a yr ago when I was trying to look for a gift for my oldest Grandson Isaiah, he suggested that I go look for a fishing pole since Isaiah was into fishing so he contacted a friend of his and set me up with a beautiful pole and all the accessories that came with it, Isaiah was one happy guy, every week he would call and say did he catch anything and I told him yes he did it wasn't big but it was something but. Karlton always told me tell him be careful, I will forever be great full for what he did for me, I'm so sorry for his passing, we will see other very soon. God Bless you
