My deepest sympathies to Ken's family, and my prayers are with you. I started Kalaheo only a year ago, and Ken was incredibly patient and always answered my questions quickly about test administration. He was also patient and kind with his students, and was well liked by them. The Kalaheo community will miss him dearly. Aloha and rest in peace, Ken. Gary Kikuchi

Ken was one of the kindest, most generous people I knew. It was a pleasure working with him and he will be missed dearly. He touched many peoples lives while at Kalaheo, both teachers and students, and his spirit will live on at Kalaheo for a long time.
