Deepest condolences to my friend and HS club member David and his family for your loss. I can only remember meeting Mr. Paik once. I remember him as being tall and thin and that he was a nice person. I remember that Phyliss was David's sister, but I didn't realize he had another sister. Interesting that Mr. Paik was a federal technician, since I spent 22 years in San Diego as a civilian electronics engineer for the Navy. My dad is also 95, nearing 96. It's comforting to know that our parents led long lives. May Mr. Paik rest in peace, knowing that his family and legacy lives on. Malama Pono (Take care,) Wayne T. Kamaura
