Our finite minds often focus on the fact that death is an end, when in actuality it is also a beginning. All who are born will one day die physically. But those who have Christ will continue to live on in spirit, in love never ending. Dan, let Christ be eternally yours, and you will be eternally His, now and forever.....I will surely miss "BIG BOY".....rest in love my cousin \m/

I will miss my nephew so much. He had so much love in his heart and now I know that the Lord needed him sooner than we expected. We all love you Dan and your memories will be with us all forever.

Our hearts are broken the day we got the call... but as you close your eyes that night you said goodbye as the angels of heaven came for you...we cried for you but as we all know that you are now in a better place. I'm so proud to call you my cousin you have brought so much joy to all of us, we laugh so much that sometimes it got out of control where tears rolled down our legs and we gotta tell you to stop but as usual we continue to laugh all night...Thank you for the laugh and the memories that we will all hold close and dear in our hearts...As we say Aloha Oe to you Dan Alan...our life goes on without you but we will cherish the memories that was left behind...until we meet again I Love you my cuzzin Dan aka Big Boy may you fly with angels and guide and protect your family...All my Love to you Val
