Roxanne Baker reached out and shared the sad news... Colleen, you were ever so quick to laugh, live, and love life. I've thought about you often over the years, hoping you were always happy in your relationships with family and close friends, and trying new experiences in life. Some of my best memories are of your intensity, skill and speed on the soccer field; you were so exciting to watch! I remember that quick low laugh erupting so joyfully from your body when you scored a goal for our He Pua Paani team, and the encouraging way you yelled "Sherri, shut'em down, Girl!" when I was the last fullback holding off the Opponents so Roxanne, as GoalKeeper, could get into position. You were fiercely loyal to all friends and had a wonderful sense of adventure. You really loved your family (those stories about your "kolohe" brothers were funny). Hold a place for us....With Warmest Aloha and also hugs to your Family Sherri Ward, fellow soccer team player
