My father & I loved her peach cake! Aunty Lei was always good fun to party with, lend an ear whenever you wanted to talk. She always had a smile & took care of everyones needs. I'm so happy I stopped by the house when I went home for Christmas, & we had time to talk story. We will miss her dearly!

I was so heartbroken to hear of the passing of Lei. I worked with her for many years at Ann Pearl Nursing Facility before I moved back to Michigan. We had many great times back then. She was always so kind hearted. She was the best cook ever. She always truely cherished her famliy. Albert my heart and prayers go out to you and your famliy during this difficult time. Lei will truely be missed by all. May she rest in peace.Love you Lei always forever in our hearts.Julie Nelson

A wonderful and beautiful wife, mother, grandmother, aunty, and dear friend, mom undoubtedly touched all of us one way or another. During the last several months, mom showed all of us how tough and brave she was. I will never forget mom's statement, "I hope I did everything I could to raise and care for you folks." For sure the greatest mother anyone could have. Although I miss her dearly, mom will always be close to my heart. I love you mom
