Francis G. (I always knew him as Gerry) Judd. His locker at Los Angeles FSS identified him as Commander Darth Judd- the World's Greatest Fighter Pilot. I knew him as a fair and intelligent teacher. One who was patient and understanding of my lack of knowledge and skill. When he was grading me at the MMAC Air Traffic Academy I knew I would be treated fairly and reasonably. I thank God for having him a part of my life. I think of him often. Thank you Gerry and God Bless you. Tom Anthony

Jerry was one of the most intelligent people we ever met in our life time. He had a very gentle soul. His sense of humor had a way of sneaking up on you!! He was very proud of his military career. He will never be forgotten. He will always be in our hearts. We love you Dad. Ed And Jan Wheeler

Francis Gerald Judd
February 21, 1929 - August 28, 2016

Words cannot lessen the sorrow of losing Jerry. As time goes by, may you find comfort in the memories of all the things that made him special. Have faith that you will someday see him again. Let the memories of the years you've shared wash over your heart and soul, let the knowledge that you are in our prayers, help you to console.

Let Jerry's spirit fill you with strength and love. May it help the pain decrease, as each day that brings a glorious dawn, creates an inner peace.

Rest in Peace JJ, our friend.
