Robert I missed our visits together. The separations after lengthy deployments over the years never dampened our reunions. Time seemed to stop till we saw each other again. I still laugh when I think about your letter when Dennis was born. I doubted my chances of getting out of that place or ever meeting him. My RTO said, "Bad ju-ju Sgt M!" Army vs Navy, it was too late in the game too ponder now. Time has again stopped, until we see each other. Thanks for everything little brother.
