He was a great person- always had a big heart in any and all situations. Had beautiful children, and a devoted wife. He made a big difference in many peoples lives even with just a smile. He missed out on a lot of things going on today..., but we, I, miss him more than those things he's missing right now. Paki, you will always and forever be missed. You are truly an unforgettable man and you will be kept in all of our hearts. We love and miss you so much!

Thanks to whoever you are, It still shocks me out that my dad isn't here today with us. I reminisce about everything we did together I sometimes get a little emotional listening to his old songs.Questioning myself why. Dad was a great person yes he was loving, had a big smile on his face all the time, cracked jokes all time. I MISS THAT MAN SO MUCH. When we was up there for his one year it felt different not hearing his laugh, I was kind of still in shock I guess. Still kind of hurt of his passing. But I know now that he's still here. He's in all 7 of his children guiding us through life. Probably still laughing up and cracking jokes with papa. WE love you guys both and WE miss you guys. See you guys soon. 73GALU
