Dear Auntie Susan, I would like to thank you and Uncle Tom for taken care of me when I boarded in your home for a year over 40 years ago. You said you have three sons but have no daughter so you've taken me as your own daughter. I remember you and Uncle Tom worked tirelessly in your respective jobs during the day and you always cooked delicious dishes for us when you came home. You have always been known for your swiftness working in the kitchen and you could manage to put up a banquet in a very short time. My mom, your younger sister has often metioned that you were the prettiest girl amongst your peers and always got admiring eyes from passers-by when you were going out. I am glad that you could joined my mom and visited us here in Taiwan in Oct 2014 and April 2016. We had some happy times and fond memories together with our relatives and friends. Auntie Susan, you will remain in our hearts always. Rest in peace, till we meet again. God bless you. Love, Linda
