Cordellia "Aunty Pua" Woon Tin Kapele

Toni Dias lit a candle in honor of Cordellia.

Aunty Pua will always be in my heart, I will treasure the moments that we shared as you were my first Hula Teacher, at the age of 3. I will be forever grateful for your teachings, patience and guidance being right next door to you. I would have never become a Professional Polynesian Dancer, if it were not for you. I will miss hearing your voice, when I go to visit the Kaneohe house, I will miss your baking of cookies and baked goods, that you would pass to me over the fence. I am going to miss our talks, that you would ask me "how am I doing" and "are you still dancing". you will always remain in my heart! ❤️❤️
