So sorry to hear about our cousins passing . Wish we were not so far away . It was always special when we saw each other . Nothing but love and family is as special, being connected that way . My heart joins the family in sorrow at this sad time . God bless you all .

I met my cousin Andrea Garcia Graham through work. I met her father last yr in 2016. I was so honored to meet this wonderful man w a great smile, who flew all those miles from Honolulu, my homeland, to visit his daughter & family. I know without a doubt, he is an angel in heaven but is still close to his dear family & watching over them. He would say, I love you all so much. I'm in heaven w those before me & I cherish those who I've left. I'm happy though in heaven & all is well here♡
