AD

Adrienne lit a candle in honor of Betty.

Mommy, as each day goes by I miss you more and more. People are telling me this gets easier, but I feel like it's getting worse. Soon we will be laying you down to rest, at the place you used to call, "my Hawaii address". I never thought this day would come so soon and so unexpected. I wish you were here still so I can hug you, kiss you and tell you how much I love you over and over again. I will forever hold the memories we shared together deeply in my heart and I will forever think about you, each and every day of my life. I LOVE YOU MOMMY, UNTIL WE MEET AGAIN, Rest In Love!
