Tabitha Yere shared 2 photos to the **Tribute Wall** album.

Justin norman calay yere, from the moment we met i knew you would be a part of my life, but you gave me more than what ive always wanted. Our three beautiful children, helping me grow as a person, and just loving me unconditionally even with all my flaws, the day we got married i remember your exact words of how you felt that day "I feel invincible, and on top of the world". You held my hand so tight i was worried that you were having a stroke but you were just so nervous and i was as well but when one of us starts falling behind we always pulled through and our weaknesses worked with us and not against us. You made me see just how strong i truly am, and ive reconnected with our lord and savior. I love you with all of my heart and soul, when it is my time i want to be with you in heaven with our endless love
