Tammy lit a candle in honor of Denise .

Dear Family of Denise, I worked with Denise for a while when she first started at Hawaiian Electric. She was always smiling and laughing. Such a joyful woman. Always giggling. She loved her family and was so happy when she was expecting her first child. I did not see her often after she left for HEI but when we saw each other, we could catch up. I am so sorry and sad to hear of her passing through our Ohana News. I wish the best for you through these holidays and continue to share memories of her with her children. Take care of yourselves.
