75, You thanked me years ago, when I first came back home from the mainland in '95, for keeping on you to come back and be a part of the brotherhood. And I told you then that it's because I wanted you back in my life. Since then, I've never regretted you getting back into the huddle. You were always there for us, mindful and faithful to whatever we were doing, whether it was softball tournaments, class meetings and projects, or just getting out and golfing with da boyz. I miss your presence, your dependability, loyalty and true friendship. Your quiet spirit will always be a part of our class legacy. You are HOME now. Rest in peace. You will always stay alive in my heart my Brother.14
