Oh gosh where do I start? From when I was young in my early teens till now grown, married and a mother I've been so blessed to have known such a beautiful soul as Mama Moe. She was such a character and loved by so many! I will always remember her "english translation" stories, especially during children's hour at church - she was definitely my kids' favorite story teller 😊 Mama Moe always had a great sense of humor; from her jokes to her family night performances singing her hit single "Stand By Your Man" lol she was always ready to put a smile on everyones faces. THAT, I will miss the most 😭! Thank you Mama Moe for the many wonderful years and memories ❤️
