Dad missing you more than you ever know. Love ❤️ you to the moon and back. The Saturday you left my home, you smiled and said bye babe and waved as you dove out of the driveway. I never expected that would be the last day I would see you. We had a good day 😊.

Your dad was the sweetest, kindest man!! My most vivid and fondest memories of your dad was how he treated your mom. He was always so loving, kind and patient. I remembered as they got ready to leave our home (after a visit) your mom would always tell us at least 30 minutes of her "potagee" jokes. Your dad would just smile as he waited for her to be done. Then he would softly whisper "are you ready to go?" Your mom would reply "I was waiting for you!" Then she'd tell us a few more jokes... all the while your dad would just smile and wait til she was done. Such a sweet, sweet man!! I know your heart is breaking right now and my heart goes out to you. I am blessed to have known such a wonderful man! Love you my friend!
