I have to say Teresa was a strong lady and quite a fighter. When I first met her I thought what a nice sweet quiet sole. Then I got to know her through my daughter-in-law TRISHA and man was she fierce. She held her family together, sent them to private schools, made sure they saw more of the world than just the island, and supported them in all ways. She then fought for her very life right to the end. This quiet, serene woman housed the soul of a warrior. I know she will be dearly missed. My deep condolences to all of you. Love Sue Immer
