My dad was the most righteous person I know. He served God,he served his country and he served his family. He was so humble. All he ever did was get up,go work,come home,eat,go sleep. Sundays he praise God. When my mom died he didn't even remarry. He just stayed a widow,recalling on memories to keep him smiling. He made no excuses for anything and was content with what he had. He was proud. Right is right and wrong is wrong. He was the most sensible man I know. Very fair. I could go on and on,but let's just say he left a major role in my heart. I feel so lost without my daddy. I feel we have no guidance now.

The most single most important thing I can say about my dad William F Aberilla was that he loved God with all his heart, and that he truly was a man that was after God. David in the bible was called a man "after Gods heart", that I believe I can say about my dad. Ezra Aberilla

William, "Abby" as he was well known in the Hawaii Air National Guard (HIANG), was a very respected airman. He served many years as a Union Representative in assisting and representing the men and women of the HIANG. Abby was one of the very few that you could depend on and his creditability was very well respected. Abby is like the "old school" guy; he comes across tough, but inside was a teddy bear. He will be truly missed.
