5 years ago today... you went Heaven. You are truly and dearly missed but we all know you're watching over us, especially dad/papa. We had a scare a couple of weeks ago but we know you stayed by his side... RILove mom and give my mom and dad hugs for me.

I remember the times when me and Charmaine would go to their house and all the movies we watched. Always would tell me what was gonna happen before it did. You rarely get a chance to meet someone so special and I thank God for the opportunity to know her and have her as a mother in law. Truly a gift.

To my beloved mother in-law.. aka mom.....There was so much more... more stories to share, more movies to watch and definitely more memories we could have made. but now, I'll just have to hold on to the memories we already made. It will be treasured and tucked right here in my heart. Thank you for EVERYTHING. WE love you and we miss you, RILove Mom...PS: Thank you for that wink (my confirmation) that you heard me and our special moment we had at both Kaiser and St. Francis Hospice.Give my Alohas to my mom and dad when you see them.
