## **Kapeliela Pedro**

DEC 15, 1973 - JAN 1, 2021

**A**ge 47, of Kaneohe, was born in Honolulu on December 15, 1973, and passed away on January 1, 2021. He was raised in Kalihi Uka and graduated from Farrington high School, class of 1991. He was employed by Straub Hospital from 1991 to 2004 as a Medical Records Clerk. He then became a cement truck operator for Hawaiian Cement in 2004 until he medically retired in July 2020 after 16 years of service. Kape was a gifted mechanic and was well known for being able to repair almost any problem with cars, especially Mustangs and Volkswagens, and custom motorcycles. His outgoing personality and genuine fun-nature drew a lot of people close to him. He was always surrounded by his core of “best friends”, from his early childhood until today—which speaks volumes of the love they all shared for each other over the years. In 2013, Kape was diagnosed with Multiple Myeloma and Amyloidosis, a very rare form of cancer. After his initial diagnosis, Kape was given less than 6 months to live. He was able to outlive all of his life-expectancy prognosis and overcome so many battles along the way. Kape fought his battle with dignity and determination, with his family and dear friends at his side, and even strangers, who came to learn his story. They too, became friends of his as well! He was a beloved husband, father, brother, grandfather, trusted friend, and was loved by so many because of his Aloha Spirit and his charisma.

He is survived by his loving wife of 27 years, Chantell; son, Jayce J-Boy Jay-Pedro; daughters, Shawnee (Alika) Ramseyer-Ho and Harlee (Kenai) Jay-Pedro; mom, Marla Lee Pedro; brothers, Michael (Rose) Pedro, Hoku (Marianne) Pedro, and Mo (Harolynn) Pedro; half-brother, Ikaika Waeyenbergh; half-sisters, Tehani Waeyenbergh and Shaye Bermoy; grandchildren, Spencer Rose and Stanton Ramseyer-Ho.

Kape’s Celebration of Life will be at Sand Island Beach Park on February 14th, 2021, Sunday, from 1:30pm – 3:30pm (Map to be provided for exact location). We, the
