My grama was the backbone and heart of our Eusebio family, selfless and always striving to do what's best for her family. I'm going to miss her huge smile and loving heart. I'm sorry we're not able to send our love out to you in person but in spirit we are here. Thank you for everything you've done for our family and I'm glad my boys got to meet and spend time with you grama. It's selfish for me to say that I wish you were still with us so I can give you a kiss and a big hug but I know you're with our lord Jesus Christ and Papa Gardi, Uncle Berto and my dad Reynaldo, and no more suffering and pain. Please watch over us and guide us in the right path. We will see you again Grama Sepa! I love you Always and Forever, you're grandson Jeremy, Wife Paris, and great grand sons Zaihen and Onyx Haze.
