I will miss you very much Tata. You're passing was very much unexpected and there is no day that I don't ask myself why and how?. You were determined to reach your 100th bday, but unfortunately you only gave us a little over a month of that. My kids and I will miss singing happy bdays to you and painting your face with the cake. This always made you laugh hard. My weekends now will be different because we no longer have our md appt and holo holo dates. You are the most humble and honest person there is. Thank you so much for your unconditional love. We'll see you again. 😭Leah
