It's with the saddest of hearts to learn today, 7/26/23 via my computer, that my dearest, dearest friend from Kaimuki High School has left us. We had graduated already, and I was a student at Canon's School of Business. Here's the story of JP's, Walter Lau's, and me...Puaala's friendship. The three of us were inseparable until they saddened my heart and left for Sacramento, California to join the Service. Visited JP at Hayden Street house couple of times when he was back in town. Same with Walter. Whenever Walter came home, we would enjoy each other's company until he left. Aloha, my dearest "JP" and "Walter". I'm 90 now, and I never stopped my aloha and thinking of you guys. Love you both very much.
