We can all pay tribute to her by remembering something special to us that she did or said that we can pass on to the next generation and have her legacy live on. It is very difficult for the ones that are left here on earth but time heals all and we move on. She was always such a kind, loving, and a happy auntie to us. We will miss her dearly. You are with your brother Don, Sister Sandra, and the rest of the family in heaven and we send our love to them all. Rest in Peace Auntie Joan and we will see you in heaven. All our love and peace to you.
