Condolences to Karen's family. My Mom who is 88 now met Karen about 3 years ago while walking our two dogs in Manoa. They became very close. I joined them once in a while and got to know Karen as well. Mom fell ill suffering 2 strokes last Spring. Karen remained so supportive and vigilant with prayers and coaching for mom (Florence) to improve... Thrn she fell ill with cancer... We remained supportive and vigilant for her recovery. She kept us updated for so long and we we optimistic for her recovery. We are so saddened and sorry for us all losing her.... It seemed so sudden she stopped calling.... We will sorely miss her special heart and kind soul! We will miss her three babies too 🙏
