Hi,I will always remember Cynthia as a quiet, unassuming person. She always smiled and was always willing to help if needed. She helped me when I first started as a Class Rep. She offered tips on printing out some things and I was able to meet her brother also. The last time we really spoke I asked her for a list of things she missed from Hawaii and I sent her a box. She said she enjoyed it and was able to make a few dishes for her friends that she lived with. Peace be with you Cindy till we meet again.
