I was saddened to read of Josette's passing. I spent a couple years with her in a Diesel Mechanic's classes at HCC in the early 1980's. At the time, she was working at HECO. Oddly enough I myself went into HECO in 1990 and she left not too long afterwards. I'd like to offer my respects and condolences to her family and friends, and I'd love to hear from them.
