Hi Peachie n Neal! I am so sorry to hear of Sylvia's passing. In fact it was a shock to all of us. My Mom also sends her condolences. We have so many good memories with Sylvia including the time we all went to Japan together. The high school parties, football games and just hanging around. We all had a saying about Sylvia and she knew it. If you want news to travel you can use telephone, telegram or tell- a- Sylvia. Of course those were the days when there were no computers, no cell phones and no social media. Those were the good old days. We will truly miss her! See you in Heaven, Sylvia, then we can catch up on all the news! Rest in Peace and love you Sylvia! Love ❤️ debbie aratani (also Doris Aratani- Mommy)

I have many fond and happy memories of Sylvia. We knew each other from the hanabata days. We used to have long talks on the phone especially about boys! She often cracked me up. I honestly can't believe she's gone especially since she looked fine at another person's funeral. I'm so glad we got to talk then. My condolences to you Peachie and your brother Neal. I'm sure she's missed by all her knew her. Sincerely, Pam (Nishihama) Johnson
