I am so sad to hear of Ethan's passing. I have known Ethan for many years. I met Ethan here in Santa Cruz when I was 16. At the time he lived with my daughters father Peter at the Logan street house. I still remember when Roland came to visit and we made pasta for everyone. He had the biggest heart and always, that amazing smile. Lance Ripley doesn't have a computer, but I will add a note for him here. Lance and I stayed with Ethan at the Keiki Beach house many years ago- photo from our "big" fish below- what a day on the boat that was. Ethan and Deva came to our wedding, and Lance and I are both deeply saddened by the news that Ethan has left this world. Lance has so many memories with Ethan from growing up in Santa Cruz, all their life adventures, when he went to ethans house in Hawaii and had to cut and fix all the posts holding up the house, and lots of skating. He gave me a few photos to share. Sending love and support to Ethan's family.
